PRINT AUDIT 6 FOR SMALL & MEDIUM SIZED BUSINESSES

Most organizations are unaware of the large per page difference in cost between print devices. This cost discrepancy can be as much as 500 percent. How can your organization reduce printing costs by over 75 percent? Print Audit 6 is your solution.

BENEFITS:

Gain a detailed understanding of your print environment:

- ✓ Learn who is printing the most and to what devices, what is being printed and more.
- ✓ Spot printing abuses, inefficiencies and bottlenecks.
- ✓ Recover 100% of your printing costs by automatically billing clients for documents you produce for them.

Reduce your printing costs and environmental footprint:

- ✓ Redirect expensive print jobs to the most cost-effective printer.
- ✓ Control color costs by limiting color usage by the user, computer, printer, number of pages, application and much more.
- ✓ Reduce waste by encouraging or forcing users to print on both sides of the page.

Print Audit® is the easiest and most accurate print management solution in the world, with:

- 📎 200+ customer testimonials.
- 📎 1000's of Small-Medium sized clients.
- 📎 190,000 trees saved each year by Print Audit customers.

Features for small & medium-sized businesses:

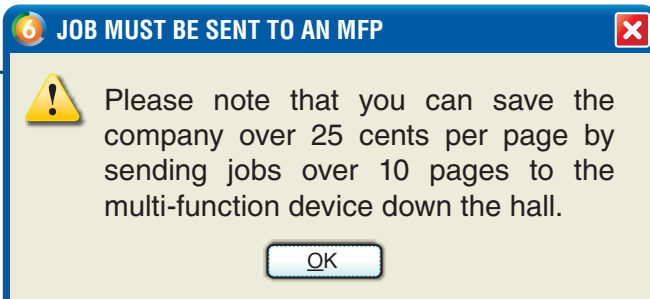

- 📎 Works with all popular accounting packages.
- 📎 No centralized server is required.

"Our firm has been using Print Audit for about five years. The product is very user friendly and the customer support is wonderful."
